

Feile Luimnigh Vocal Competitions

New Trial Competition – 16. Art Song Performance Class

The committee is pleased to add a new competition this year, the Art Song Performance Class. We are introducing this to encourage students to try new genres of music and hope that this addition to the syllabus will encourage students and teachers to explore Art Songs. This section will be all inclusive and welcomes any song from the likes of German Leieder, French Mélodie, and folk songs arranged for recital (such as Aaron Copland and Benjamin Britten). Arias and Sacred songs will be excluded from this class as we do offer a single song competition for both Arias and Sacred Songs, please see the full vocal syllabus for more information regarding those competitions.

Competitors entering any of our age brackets for the Art Song Performance Class will need to prepare any one Art Song of their choice.

The Art Song Performance Class will be offered to the following age brackets. All entries will be 20euro.

- (i) Boy Trebles
- (ii) Male Voices under 18 years
- (iii) Girls 11-14 years
- (iv) Girls 15-18 years
- (v) Singers 18 and over
